THE SPACE

Coffee shop turned into a restaurant

You're probably here because you are a fan of the coffee shop and enjoy spending time with us.

In the evening the coffee shop turns into a relaxed dining space perfect for spending time with friends and family.

We pride ourselves on excellent service and food focusing on using local ingredients creatively.

Before you ask...yes! We do serve alcohol. It's the most frequent question we get asked. We are lucky to have a wine shop opposite which is stocked with an array of small producer wines. In addition we have a cocktail & beer menu.

*we can't wait to celebrate
with you!*

Your party, your way

When you book a party at CPK it is a bespoke service, Sarah and George will consult with you to make sure the evening is personal to you.

◆ Menu

Choose from set menus, make tweaks or we can create a bespoke* menu for you

◆ Drinks

Most menus include an arrival drink, bubbles or beer. However as it is a personal menu for you, if you would like your favourite cocktail we can create that for you too.

◆ Cake

Celebrations often mean cake! If you would like to organise a cake, we recommend Pure Patisserie** who offer a wide range of bespoke cakes and will deliver it to the restaurant.

◆ Guest numbers

We can seat up to 22 people in the dining room. There is a minimum charge of £1000 for smaller groups.

*cost based on menu items. ** Cakes from other suppliers will incur a cakeage charge
